Dear Raul Orlando Edwards,

Thank you so much to Strictly Street Salsa for participating in the Houston Symphony's Third Annual Day of Music Festival. We greatly appreciate your involvement, and we enjoyed featuring your talents. With your help we exposed the greater Houston community to twelve unique musical genres through twenty-two performances on five stages and interactive activities. This year we attracted almost 12,000 attendees and could not have accomplished such a large, successful, and impactful event without all of your efforts.

In order to express our heartfelt gratitude for your preparation for, travel to and from, and performance on our Day of Music, please find a congratulatory participation certificate enclosed. We also look forward to welcoming you back to Jones Hall for a Houston Symphony performance with the two enclosed ticket vouchers. Thank you again for helping us showcase Houston's rich and diverse musical culture.

Sincerely,
