Dear Mr. Orlando Edwards:

On behalf of the mothers of the Missouri City/Fort Bend County Chapter of Jack and Jill of America, Incorporated, thank you for your support of our twelfth biennial Beautillion.

The need to foster the promise of young men is one mission of our organization and your participation and support of the Beautillion is an investment in the future of that promise. The Fort Bend Boys and Girls Club and our national organization's philanthropic arm, Jack and Jill of America Foundation, will benefit from your support of the 2007 Beautillion.

In Jack and Jill, we work, play, and live together and Beautillion is truly exemplary of this motto. Thank you for your commitment to family and community.

Sincerely,

Millie Mitchell
Chapter President
