Houston, TX 77219

Dear Raul:

Thank you so much for your presentation on the history of salsa. My students enjoyed it immensely and I believe they are much more open to Latin music in general now that they have had direct experience with salsa music and dance. We discussed your presentation in class yesterday and the response was overwhelmingly positive.

I look forward to contacting you again in the future about similar presentations and demonstrations.

Thanks again;

A handwritten signature in black ink, appearing to read 'Tracy Russell'.
